6. COURIER DELIVERIES

We do **NOT** recommend exhibitors send courier shipments directly to the venue.

They often get lost in transit or handed over to wrong people on-site and both the exhibitor & Meritex spend a lot of time running around looking for the shipment.

If you must send a courier shipment it should be sent on freight prepaid / Delivered Duty / VAT paid basis, including customs clearance and charges. Goods that are sent 'Freight collect' will not be accepted unless requested in advance.

Please refer to the Tariff for courier delivery charges; they will only be accepted from Friday 5th June directly onsite.
